ACADEMIC STATUS FOR UNIVERSITY & COLLEGE LIBRARIANS IN INDIA

By

N. Datta

(M.A., M.Lib,Sc., M.S.L.S. (Columbia)
University of Delhi

ISBN 81-85004-05-6 1986 208pp Cloth bound Rs 140

This work is a saga of successful struggle of the librarians in India to achieve parity in status and salary scales—both at the College and University level. After a struggle of a quarter century (1961-1985) some of the universities have come around the idea of recognising their university and college librarians as equivalent to teachers, with all benefits and privileges except vacation. The array of most significant up-to-date official document issued upto July 1985 invests this book with immense reference value for all the librarians.

Sub-divided into 5 Chapters, the first section explains the meaning of Status, criteria for evaluation of status etc; the second reviews the academic status accorded to Librarians in USA; while the third investigates the conditions prevailing in Academic libraries and the working conditions of Librarians in India. The fourth chapter recounts the struggle for academic status in India and the fifth chapter consists of the official documents on the subject. A Bibliography and an Index have also been added at the end.

A HISTORY OF CIVILISATION IN ANCIENT INDIA

BASED ON SANSKRIT LITERATURE

by

ROMESH CHUNDER DUTT

The History of Ancient India is a history of thirty centuries of human culture and progress. It divides itself into several distinct periods, each of which, for length of year will compare with the entire history of many modern people. The learned Author has explained clearly, concisely, and distinctly each phase of Hindu civilisation and Hindu life in Ancient times.

This is a scholarly work, based on ancient Sanskrit literature, and written in a sufficiently popular manner to be acceptable to the general readers as well as to the specialist. Every chapter of this book deals with matters about which long researches have been made, and various opinions have been recorded. The very careful and admirable study which R.C. Dutt has made of ancient Indian Civilisation is an authentic and one of the primary sources of ancient Indian Civilisation.

The book is in two volumes. Volume I contains 3 sections and Volume II 2 sections. Each section contains several chapters on various aspects of ancient Indian life, history and culture.

Volume I	B.C. 2000 to B.C. 320	xxii, 390 Pages	1986
Volume II	B.C. 320 to A.D. 1000	xiv, 363 Pages	1986
